## P-II GRINDER RAIL SERVICE

Murray Latta Progressive Machine is excited to announce our new P-II Grinder Maintenance Program! We have developed a new package to bring your grinder back to mechanical OEM specs. This package includes the hardware to replace the rails, bearings, brackets, sprocket and timing belt. Our service technician, using our specialty tool, will dial in the new rails to the head stock within the OEM standard of .001" over the length of transverse.

**The benefits of this program include:**

- Longer bearing life
- Better finish on knife grinds
- Longer stone life
- New updated mechanical parts
- Full grinder evaluation/diagnostics assisting us with future electrical upgrades for your grinder when needed

**Parts included:**

- Traverse Rails
- Traverse Rail Support
- Fasteners
- Brackets
- Bearings

**Parts price \$6,500.00**

Gas Springs  
 Timing Belt  
 Timing Sprockets c/w Bushing  
 New Tail Stock Assembly (optional add \$1,700.00)

*Technician visit for Parts Installation*
